# Are you having a party?

For almost 15 years I've developed my skills as a face painter in the UK, attending birthday parties, school fairs and entertaining kids and adults in the neighbourhood for Halloween and Holidays. I am now bringing my unique style of face painting to kids (and big kids) in the Lower Mainland.

I attend birthday parties, fairs and festivals and I'm a great addition to company picnics, Christmas parties, fund raising events, store openings and more. Everything is completely tailored to your event and priced very competitively. Consider adding **Melanie Dawn** to your next event

Face painting is something that really draws the crowds. I love transforming a shy girl into a glittering butterfly or a 'cool' boy into a space alien and seeing their faces light up when they go show their friends. "Awesome", "cool", "wow" all spring to mind!

Musketeers. Melanie had gone out of her way to rent the movie beforehand and she knew all the characters names. She arrived with a sketched design of what the musketeer mask would look like. All the children were thrilled to be transformed into a musketeer! The designs were so beautiful and intricate that even the adults wanted their faces painted. The parents at the party are still raving about her work." **Mrs B, March 2010**

## Melanie Dawn

### The many faces of Melanie Dawn!

I am a Make-Up Artist and mother of 3 boys. Originally from the UK, my husband and I immigrated to Vancouver in 2007 and have settled in Lynn Valley. I love music, dance, singing and cooking for my boys.

I studied Art in high school and went on to study Art & Design at college. I enjoyed theatre both on stage as a singer and actress and backstage designing sets and, of course, applying the make-up. I met and married my husband in 1996 and had jobs in photography and insurance.

I had my first child at 22 and became a stay-at-home mom.

We moved to Canada where I had my second child when I was 24. It was in Canada that I trained to become an Interior Designer but after the events of 9/11 we decided to go back to the UK. We

soon realized we had made a hasty decision but decided to stay and settle in the UK to raise our 2 boys. We lived in Wales where I had a third son when I was 28. By this time I was working alongside Realtors in assisting vendors with preparing their homes for the market. We finally decided we needed to be back in Canada and, after saying good bye to our families again, landed in Vancouver in 2007.

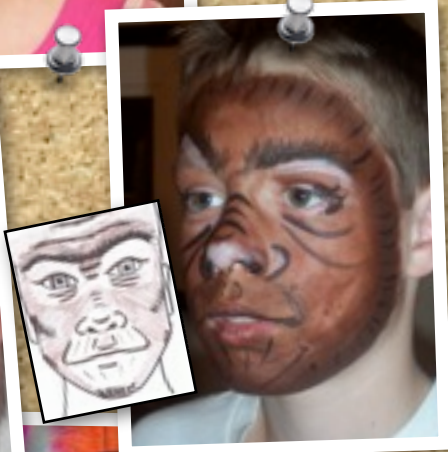

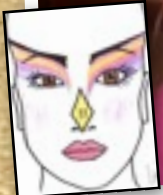

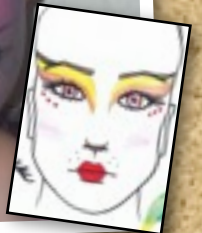

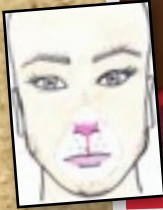

After gaining residency and finally settling down on the North Shore, with the kids in school and a toddler at home I felt I

needed to go back to my art and design roots and realized that I had been applying make-up on myself and others since I was 10 years old and had been volunteering my services for weddings for the last 12 years. I had also been face painting my siblings and their friends since 1994 with Snazaroo (thank you Mum for never buying nasty acrylic paints!) And so it came as no surprise that make-up was where my artistic flare, love of people and wanting to make them happy converged. I set up as a freelance make-up artist and face painter and Melanie Dawn was re-born.

# SEUSSICAL JR

A Sherwood Park Elem. Production.

April 2009. I was the Make-Up artist for the show. I designed the faces, trained 3 moms to be in charge of the Wickershams, Gold fish and Bird Girls and we applied face-paint to 30+ kids in a cast of 90. We also had the help of another Make-Up artist mom who took care of all the 'Who' girls and 'Who' fella's hair and freckles!
